CONNECTED TO A WEB SHOP

SlidePresenter

INTERACTIVE MULTIMEDIA PRESENTATION

Present your brands, products and services in various multimedia formats on multiple slides.

VideoPuzzle

MULTI-USER PUZZLE GAME WITH IMAGES AND VIDEOS

Players reassemble pieces of a puzzle with your product images oder animated video content.

MediaBrowser

MULTIMEDIA CATALOGUE WITH FAVORITES SYSTEM

Navigate through digital product information, collect favorites and send them live via email.

MagicPairs

MAGIC GAME WITH PRODUCT IMAGES

Find more pairs than your opponents – not that easy with magically moving memory cards!

LivePhoto

VIRTUAL FOTO COLLECTION WITH EMAIL FORWARDING

Shoot photos, watch and sort them live on display and send them immediately via email.

JumpUp

ACTION GAME WITH INTERACTIVE PLATFORMS

Players draw jumping platforms with their fingers to bring up their own game character - with your integrated brands in the background.

HotSpots

INTERACTIVE MAP WITH POINT-OF-INTERESTS

Place multimedia information for point of interests on a map and let customers discover them interactively.

PathControl

ROUTE PLANNING GAME IN DIFFERENT SETTINGS

A team of players guides a growing number of vehicles like airplanes or spaceships to their destinations.

SlideShowFX

AUTOMATIC SCREENSAVER WITH SPECIAL EFFECTS

Visitors create spectacular effects with their hands while your product images change automatically in the background.

AirHockey

MULTI-USER AIRHOCKEY GAME

With quick interactions players try to slide a puck into the opponent's goal. Place your brands and products in the background.

AudioCloud

MULTI-USER MEDIAPLAYER FOR SOUNDS AND VIDEOS

Drag and play sound tracks or movie clips in multiple mediaplayers.
