

MULTITOUCH STANDARD-DESK

**AEON**

## MOBILE **MULTITOUCH DESK** IN YOUR INDIVIDUAL DESIGN

-  UNLIMITED MULTITOUCH
-  EASY TRANSPORT
-  PLUG & PLAY
-  INDIVIDUAL DESIGN
-  MULTIPLE APPS AVAILABLE

eyefactive's® AEON MULTITOUCH-desk is the mobile solution for interactive presentations and collaborative teamwork. Your individually designed AEON is ready for immediate use, plug & play. Wherever it is installed: the AEON fascinates customers, visitors and employees with its precise, unlimited MULTITOUCH-control.

**MOBILE & READY FOR IMMEDIATE USE** Bring the world of fascinating MULTITOUCH-technology into your company - or to your customers. A special flight case is available for longer shipping distances.

**TRUE MULTITOUCH** The interactive display runs with true MULTITOUCH. Due to our in-house developed EVOVIS tracking-engine the number of touch-points, movements and markers is effectively unlimited.

**INDIVIDUAL STYLE** Your individual design (4-color-printing) can be applied to all four side panels of the AEON, as well as to the frame of the transparent desk top.

**MULTITAG-TECHNOLOGY** AEON tracks any objects with the eyefactive marker-system, for instance products or business cards. In addition, objects tagged with a marker can be used as a control device for apps.

**MULTI-USER APPS** Choose from our growing range of interactive applications for various usage scenarios. All apps are customizable and can be adjusted to your individual design and supplemented with your own content. Start and switch apps comfortably with the integrated AppLoader – no need to go back into the operating system.
