# NEXT STEPS: CHECKLIST

## TYPE
Would you like to install a table, terminal, stele or wall mounted video wall? Do you need a mounting system?

## FORMAT
Vertical screens can be viewed in either portrait or landscape format, tables could be approached from four sides.

## RESOLUTION
Single screens range from FullHD, 4K up to UltraHD (8K), while special format displays have individual resolutions.

## TOUCH TECHNOLOGY
Simultaneously touch points and users should match with the screen size. What about object recognition?

## MEDIA PLAYER
Required pc power depends on screen resolution, software, integrated media files and simultaneous users.

## SOFTWARE / APPS
Which software would you like to use? How many users should be allowed? What about the system requirements?
